Some big news! A new consortium of downtown San Pedro merchant groups has agreed to keep our quaint and historic Old Town stores open **until 9p.m. every Thursday** starting July 23. The group has met several times, has forty active merchants working to ensure that downtown becomes known as THE place to stroll & shop on a Thursday evening.

We are asking all recipients to promote Thursdays to their databases, online resources, groups, associations, communities etc. The merchant group will begin brainstorming branding and promotional ideas at upcoming meetings.
